SCHOOL NEWS

FROM BELLE GLADE'S NEW HIGH SCHOOL

WHY TAKE FIRST AID?

By Annette Manles

"Why bother to take First Aid? We'll never need it."

Many times has this remark been addressed to you? What are your sentiments toward this question? Have you ever thought of the suffering that could be relieved and the lives that could be saved by the immediate use of practical First Aid? Every mother needs to know what to do in case of burns, cuts, broken bones, etc. You think, "But how simple!"

Is it really as easy as it sounds? Suppose your little sister or brother drowned and needed someone to administer artificial respiration immediately. Would you know how? Suppose "Sherman" should sweep through Georgia again. We have no assurance that our country is free from invasion. Could you apply a tourniquet to stop a hemorrhage? Let us not be caught napping as England was. Let us prepare and be ready if the need should ever arise for our services. Again I ask you, "Should we take First Aid?"

SPORTS

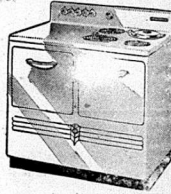

The Belle Glade Rams attended the regional and district tournaments at Miami Beach High school March 5th and 6th. They were defeated in the second game of the tournament by third-seeded Pompano, who beat them 30-23.

At the end of the third quarter, the score was tied 21-21, but the smooth-working bean pickers, led by McClellan, scored 18 points in the fourth quarter while the locals were held to a mere two points by the Pompano eagles.

At a game earlier in the week, Belle Glade was defeated by Pahokee in a thriller. The score was 31-30. The local squad led up to the last quarter when Pahokee took the lead and held it to the end of the game.

Westinghouse 5-Speed Corox Units use economical "Simmer" heat (80 watts) up to 75% of the cooking time in some cases. The big True-Temp Oven uses current only 9 minutes out of the hour to maintain even baking and roasting temperatures. And the Economy Cooker cooks a complete meal for 5 people for about 1 cent. Don't let fear of high operating cost stop you from switching to modern electric cooking with a Westinghouse. Come in and get all the facts—then you be the judge.

BONDS—WHICH?

NAVY WILL CONTINUE

(Continued From Page 1)
In Class V-1, V-2 and V-6, men are required to have 18 sound teeth of their own, two of which must be opposing molars, and have vision in each eye of 16-20 without glasses. Color blind men and those with teeth replaced by dentures are acceptable for the Construction Regiments Class V-6 only.

We also have unlimited vacancies for the colored men from 17 to 36 in the U. S. Navy and Naval Reserve in the Messman branch. Men who are enlisted in the Navy if under 18 are for minority enlistment. Over 18 years of age for six years.

Men who are enlisted in the Naval Reserve if over 18 are enlisted for the duration of the Emergency.

Chief Hull wishes to call to the attention of men who are of draft age that commencing in April when men are called in for Army examination they will be inducted at the same time and those who desire Navy Service should apply immediately rather than wait until they are called for induction.

Men can be enlisted in the Navy and Naval Reserve at rates of pay ranging from \$21. to \$99. per month. Men desiring enlistment in the service should apply in person at room 231, Post Office Bldg., Miami, Fla. Office hours 8:00 a. m. to 7:00 p. m. daily and 8 a. m. to 12:00 noon on Sundays.

Celebrates Birthday

Maxine Walker was honored on her fifteenth birthday by a party given by her aunt, Mrs. Burline Walker on Wednesday evening. The young people were entertained by parlor games and dancing. The birthday cake was cut and served with punch to Ruth Stever, Hoch Cooper, Audrey Hendry, O. D. Martin,
